FGVWSA – Vanquish with shatter resistant lamps

Insect-a-clear

The **VANQUISH** is a slim line, discreet yet very efficient glue board fly killer with a removable front door for easy installation or cleaning.

It is fitted with 2 x 36 watt high attraction energy saving lamps and a fully electronic lighting gear which ensures low power consumption and doesn't require starters.

By combining the above features with a super size glue board of over 1,240 cm² (complete with monitoring squares), the VANQUISH is a truly effective fly control unit, protecting up to 360 square metres.

Its anodised aluminium and steel construction means that it not only looks good but also offers excellent corrosion resistance.
