Mileta Signs

Ensure staff are more aware of potential risks and hazards whilst helping them to conform to health & safety standards with Mileta's catering sign packs.

There is a legal obligation to provide information and training on health & safety to all employees. Therefore ALL our sign packs are compliant with the standards required by the HSE and The Food Standards Agency.

All notices are printed on self adhesive vinyl.

Eagle Enamelware

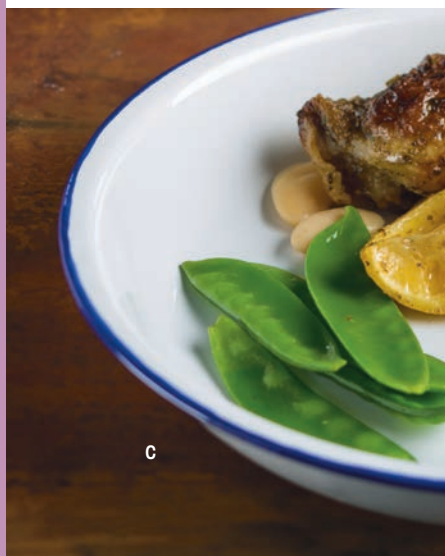

Eagle Enamelware is the perfect solution to the current trend of using retro products.

Eagle traditional blue rim enamel tableware is a modern classic, with many differing uses.

Enamel tableware is porcelain fused onto heavy-gauge steel and provides a product that is durable, long-lasting, unbreakable and dishwasher-safe. Use Eagle to enhance any food presentation and add an element of retro.

Craft

The **Craft Collection** is inspired by hand-crafted ceramics that have been manufactured by generations of potters. Rich, lustrous glazes are applied by hand and their reactions in the kiln ensure that every individual piece of **Craft** is unique.

Simply insert the colour reference code before the product code when ordering.

Pure White Vitrified Porcelain

Fully vitrified and designed to withstand the rigours of a demanding catering environment, this cost-effective range is both microwave and dishwasher safe.

There's no compromise on quality as it is also credited with British Hotelware Standard BS4034 reflecting a high resistance to water absorption.

Melamine Gastronorms

Steelite International has introduced two new designs to its Gastronorm collection - **White Spiral** and **Craft**, offering further opportunities to make stunning and alternative buffet presentations. These melamine Gastronorm platters are break and chip resistant and can handle both hot and cold food, making them more versatile.

To further enhance the collection, Steelite International has introduced Gastronorm covers to fit every size of platter. Perfect for stacking displays and where space is limited.

Melamine Gastronorm Trays

Due to increasing demand for gastronorm size platters, Steelite International are delighted to introduce three ranges of platter based on our popular Driftwood, Slate textures, and a classic white version. All items are designed to fit with standard covers in the market place.

Polycarbonate

Polycarbonate and plastic glassware has grown substantially over the last 10 years, primarily due to the benefits of reducing drink related violence. We offer one of the UK's most comprehensive ranges of polycarbonate and plastic drinkware, and provide three levels of quality; firstly, Polycarbonate – with a long life, highly durable and almost unbreakable, Reusable – a mid-level product that can be used a specific number of times, and Disposable – which is targeted to be used once.

All items are available with the relevant government stamps.

Elite

Black and white polycarbonate drinkware is unique and very stylish. Ideal for any high volume or late night drink venues, for indoor and outdoor events and perfect for cocktails.

Made in the UK, from virtually unbreakable polycarbonate, these glasses are durable, reusable and recyclable.

For best results, we recommend **Proton Proto-Brite Polycarb Glasswash Detergent**— see page 307.

MILETA

Signs & Products Ltd

Make sure your customers & employees are fully informed of current licensing & trading legislations with our contemporary brushed silver aluminium bar signs, supplied with self adhesive pads for easy fixing. Frames can be purchased seperately for more prestigious locations.

There is a legal obligation for the premises licence holder or club premises certificate holder to display the given information. All our signs are compliant with the various UK Government legislations.

NEW

Our Bar & Restaurant Sign Essentials Catalogue

This catalogue offers a comprehensive range of signs and products for your premises. Pavement signs, Menu Displays, Poster holders, Door & Directional signs, Table numbers, chalkboards and many more back bar and front of house signage. Order your copy today!

Arpal

When you buy these products you are not buying chemicals, you are buying clean plates, cutlery, crockery and glass ware. From cabinet glass washing in the licensed trade to tunnel machines in the In-flight catering sector, these core detergents will ensure all items of ware washing are cleaned to pristine standards.

When these are combined with our electronic dosing technology and our nationwide engineering capabilities the results will exceed your expectations.

Arpax Cleaning Concentrates

In today's world we are constantly reminded of our own personal responsibilities regarding the environment. Recycling at home is almost the norm these days. Businesses need to look at many different ways to improve their environmental credentials. Reducing plastic waste is a key area for high consumers of commercial detergents.

Each 2 litre pack of an Arpax bottle fill concentrate is the equivalent of 22 cases of 6 x 750ml packs – that's 132 bottles and triggers thrown in the bin against a 2 litre pack yielding 100 x 500ml bottles – from the same re-usable trigger spray.

Arpal Washroom Cleaning

Cleaning public areas, whether it be a resident / guest bedroom, a busy shopping centre or a pub/club is primarily focused on making sure that the "visitor experience" is a positive one.

Differing water conditions around the country require specific formulations in many instances and because perfumes are enormously subjective, we believe we have a menu of choice to satisfy housekeeping and domestic cleaner tastes.

We support you with a laminated Housekeeping and Building Services cleaning chart.

KATRIN®

Katrin Handy Packs – Making life easier:

In use:

- Carry handles enable distribution around the building directly from the packs
- Multi-purpose – can be used for collecting / carrying waste – or lining bins

Health & Safety:

- Much easier to carry than cardboard cases
- Less risk of back injuries

Environmental:

- Environmentally sound products
- Plastic cases = less volume of waste than traditional cardboard cases
- Handy Pack plastic is completely recyclable

Warehousing:

- Stack well and much easier to handle than rigid cases
- Clear packaging and highly visual branding – very easy to find & read
- Durable and protects contents from moisture

Katrin Hand Towels

The Katrin Inclusive dispenser range is available in attractive black and white designs. With innovative features including braille, integral stub rolls and consumption control features the dispensers are designed to be inclusive of all users, in washrooms and workplaces everywhere. They can be used with a wide variety of hygienic, environmentally friendly Katrin consumables.
