

Beverage

Genware Beverage items are designed to cover a wide range of applications. Unbreakable vacuum pots and jugs provide excellent heat retention, making them ideal for conferencing, meetings and corporate events.

Insulated jugs in white and black offer stylish beverage service that complements ceramic tableware.

Cafetières are available in all sizes, with tough pyrex glass and good quality materials make these perfect for service of coffee and speciality teas.

New for 2014, our Beverage Station is available in either single or double design and provides the perfect solution to serving an organised and tidy hot beverage service.

*Practical solutions to serve fresh,
hot beverages*
