

Order Code:

FGT4SS – Vulcan 3 **IP** with shatter resistant lamps

Insect-a-clear

This **IP65** addition to the Insect-a-clear Vulcan range is the most technologically advanced to date! Fully electronic, it ensures minimal power consumption, meaning maximum financial savings, when compared to similar conventional units.

The curvaceous, contemporary design and the stainless steel front-guard, together have produced a terrific machine. It is ideal for virtually any application (front of house or behind the scenes).

All machines are fitted with high output Quantum lamps.
