Insect-a-clear

F16CSW – T160 / white with shatter resistant lamp
F16CSS – T160 / stainless with shatter resistant lamp

The Insect-a-clear **T160** has been designed with the Pest Control Professional in mind. They incorporate just about every feature available. They are for use in restaurants, food shops, kitchen areas, fast food outlets etc. Indeed anywhere where flying insects present a problem.

They offer tools free servicing with a quick release front guard and spring loaded removable stainless steel high tension grid. For maximum attraction the lamps are staggered each side of the grid.

Two finishes are available: powder coated white and semi bright stainless steel. Shatter resistant lamps are standard on both machines.

Both models can be wall mounted, free standing or suspended.
