

Heated carts

200 two door - BL200H2

BL200H2

Banquetline is the ultimate solution to holding, storing and transporting hot and chilled food in optimum condition. Perfect for catering on a grand scale. User applications include banquets, conferences, hotels, sports stadia, universities, colleges and outside events. Designed for the larger operation the BL200 comprise two cabinets side by side and have independent heating modules. This allows the operator to use either one or two cabinets as the requirement dictates.
