30 one door - BL30H1

BL30H1

Banquetline is the ultimate solution to holding storing and transporting hot and chilled food in optimum condition. Perfect for catering on a grand scale. User applications include banquets, conferences, hotels, sports stadiums, universities, colleges and outside events. Suited to the smaller operation hire market or where a high degree of portability is required. This model is designed to enable GN1/1 size containers to fit on the shelf brackets eliminating the need for additional shelves.
